[Registration Questions?](#)

Conference Theme:  
Soaring to New Heights

[The National Museum of Nuclear Science & History](#) is a Smithsonian Affiliate Museum where you can explore decommissioned rockets and missiles while learning About the history of nuclear science in New Mexico.

Conference Offerings: Motivational Speaker

Mark Robinson is more than a motivational speaker; his background includes standup comedy and magic. He has opened for Jeff Foxworthy, appeared on late night TV with Jimmy Kimmel and has won multiple awards based upon his magic. Tuesday morning's sessions start off with Mark speaking about how Little Things Matter and how you can use the same strategies magicians use to create "wow" moments in a magic trick to create "wow" moments for your customers and co-workers.
